The cycle of high and low tide creates a magic atmosphere.

Depending on tide phases you will need a canoe to reach the coast.

In other moment of the day you can reach the beach in front of the Island easily by walking.

This is a kind of throwback to old and primitive sensation that put our Guests in an amazing mood.

Deep Tanga stone pool is available in the heart of the Lodge.

A canoa is also available for guests in case of high tide and to explore the magical lagoon during the day and at sunset.

Staying at The Island is a unique experience that delights all six senses.
