# TIME + TIDE NSOLO CAMP

*Barefoot Luxury with an Intimate Ambiance*

SOUTH LUANGWA, ZAMBIA

## TIME + TIDE NSOLO CAMP

### HIGHLIGHTS

- + *Overlooks a lively river lagoon*
- + *Wild dog den nearby*
- + *Great base for our signature Sleepout*

One of the most historical camps in Zambia, Time + Tide Nsolo Camp is the quintessential barefoot luxury experience. With a design inspired by its intimate riverside setting, it is a haven of comfort amid the wild setting. Lounge on your shady private deck, watching the daily parade of wildlife visiting the permanent river lagoon. Between game drives, relax into the cosy ambiance of the camp, listening to the resident hippo pod and watching kingfishers hover and dip delicately over the water's surface. There is no thrill like hearing the lions calling all night, then heading out at first light to track them through the bush. Come, join us in this wild land and awaken your inner explorer.

Wild dog sightings pick up in late October and November.

## GREAT ALL SEASON

- + South Luangwa is famous for large elephant herds
- + Incredible leopard and lion sightings
- + Wildlife photography - still a wild land devoid of crowds that makes for great photographic opportunities

The start of the walking safari season, which runs from May to November.

September to November is best for seeing the iconic carmine bee-eaters.

September and October offer the best chances to see servals and the highly elusive caracals.

## ON SAFARI

*South Luangwa National Park*

### ACTIVITIES

- + Day and night game drives
- + Walking safaris
- + Sleepout Under the Stars \*

The Luwi River region is renowned for its lion and wild dog population. Various lion prides use the dry riverbed as a thoroughfare and a means not only of locating their prey, but also their rivals who must be warned to stay away. There's no end to the action around Time + Tide Nsolo! In the South Luangwa, expect large herds of elephants, rivers packed with hippos and crocs and spectacular sightings of elusive leopards. Diverse habitat supports a wide variety of plains game and birdlife alongside the predators attracted to the abundance.

\* Supplementary charges may apply
